# About the Workbook

There are three sections of this workbook, each one equips priests and key parish leaders with essential data about:

1) The Archdiocese of Detroit
2) Your planning area
3) Your parish

This workbook serves as a planning resource to support thoughtful reflection on the current strengths and future opportunities for ministry and evangelization within each planning area.

# Prayer for Archdiocesan Restructuring

Come, Holy Spirit.

Make your presence known as we restructure the parishes
and ministries of our archdiocese.

Be our light on the path we walk together.
Help us hear your voice in the quiet of our own hearts,
in the wisdom of others and in the world around us.

We know you are with us in every step of the process.
Give us clarity, understanding, and direction.
In all things, help us share the light of your love. Amen.

Ste. Anne, pray for us.
Blessed Solanus Casey, pray for us.
Mary, Mother of the Church, pray for us.

# Why Archdiocesan Restructuring?

Many parishes were built or grew in a time when Christian values and assumptions were the norm. Faith was inherited and the Church held cultural influence.

There is no doubt that the culture around us, both in the United States and locally in the Archdiocese of Detroit, has changed. The mission, however, has not; it has always been to “go and make disciples” (Matthew 28:19)

# Why Archdiocesan Restructuring?

*I dream of a "missionary option", that is, a missionary impulse capable of transforming everything, so that the Church's customs, ways of doing things, times and schedules, language and structures can be suitably channeled for the evangelization of today's world rather than for her self-perseveration.*

Evangelii Gaudium, 27

# Why Archdiocesan Restructuring?

*The renewal of structures demanded by pastoral conversion can only be understood in this light, as part of an effort to make them more mission-oriented, to make ordinary pastoral activity on every level more inclusive and open, to inspire in pastoral workers a constant desire to go forth and in this way to elicit a positive response from all those whom Jesus summons to friendship with himself.*

Evangelii Gaudium, 27

# Archdiocesan Restructuring Process

## Why?

As we move forward on mission, we must first address the challenges of our changing culture, which include demographic and financial shifts, a decline in the practice of the faith, and fewer priests serving our archdiocese. These challenges have resulted in limited resources to serve, sustain, and grow the Church in Detroit.

## How?

The Archdiocesan Restructuring process will examine the existing Families of Parishes structure, as well as the structure of the Curia, to discern how we can be structured and how our resources can be best aligned "for the evangelization of today's world rather than for [our] self-preservation" (Evangelii Gaudium, 27).

# Archdiocesan Restructuring Challenges

# Our Goal for Restructuring

Develop a new pastorate model authored by the Holy Spirit that establishes a vibrant Catholic presence in every area of the Archdiocese of Detroit.

## Vibrant Parishes

Gospel renewal in our parishes and other ministry efforts

## Flourishing Priests

Priests flourishing in their ministry to parishes and the greater community

## Mission Ready

Secure a vibrant future for the Church of Detroit

# Section One

## The Archdiocese of Detroit

# About our Archdiocese

- The Archdiocese of Detroit is comprised of 209 parishes encompassing the City of Detroit and six surrounding counties – a large and diverse territory: urban, suburban and rural.
- Our local church has been declining for several decades as older Catholics move or die and there are insufficient number of young Catholics to take their place.
- This is best exemplified by the significant decline in the number of births and baptisms in our diocese.
- As our Catholic population has moved from the city to the near suburbs and from the near suburbs to the farther out suburbs, this has resulted in too few priests in large parishes and too many priests in small parishes.
- Our diocesan priests are aging and the number of priests to serve our Catholic population is declining.
- Over the past decade, Mass attendance has been on a steady decline. Despite a rebound from 2020 to 2024, Mass attendance remains 14.7% below pre-COVID levels.
- The current average rate of Mass attendance decline each year across the Archdiocese is 4%.

# Nationally, Practice and Generosity are Declining with Each Generation

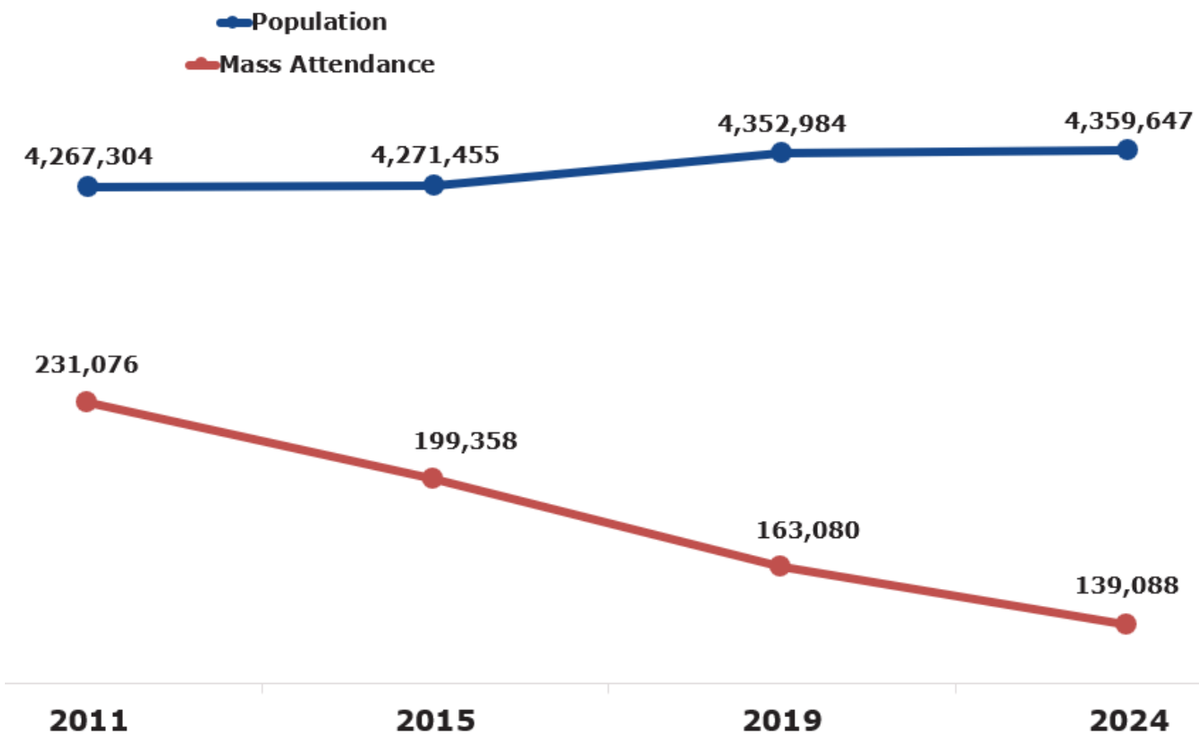
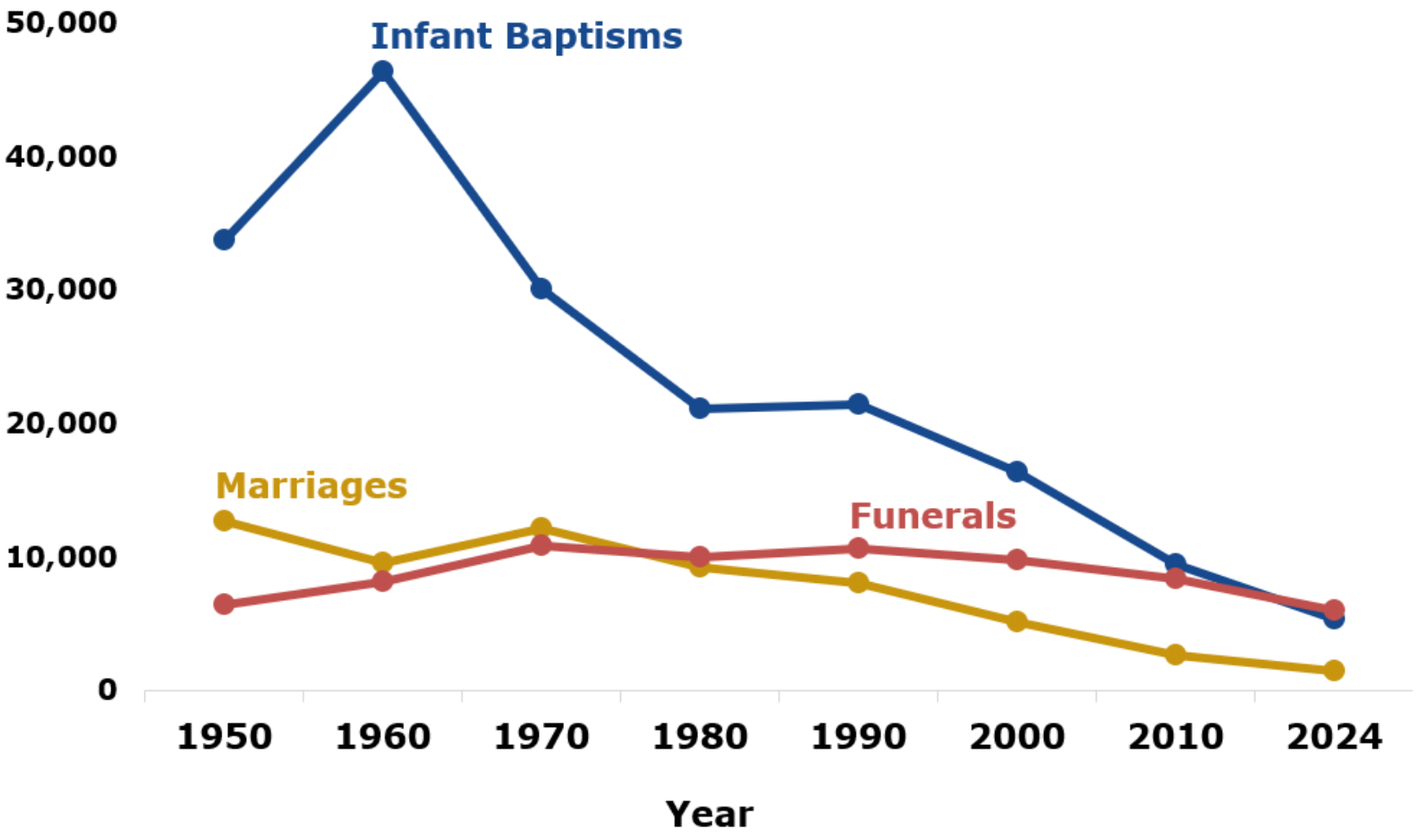
# As Greater Detroit Population Grows, Regular Mass Attendance Continues to Decline



Population Source: Michigan Senate Fiscal Agency

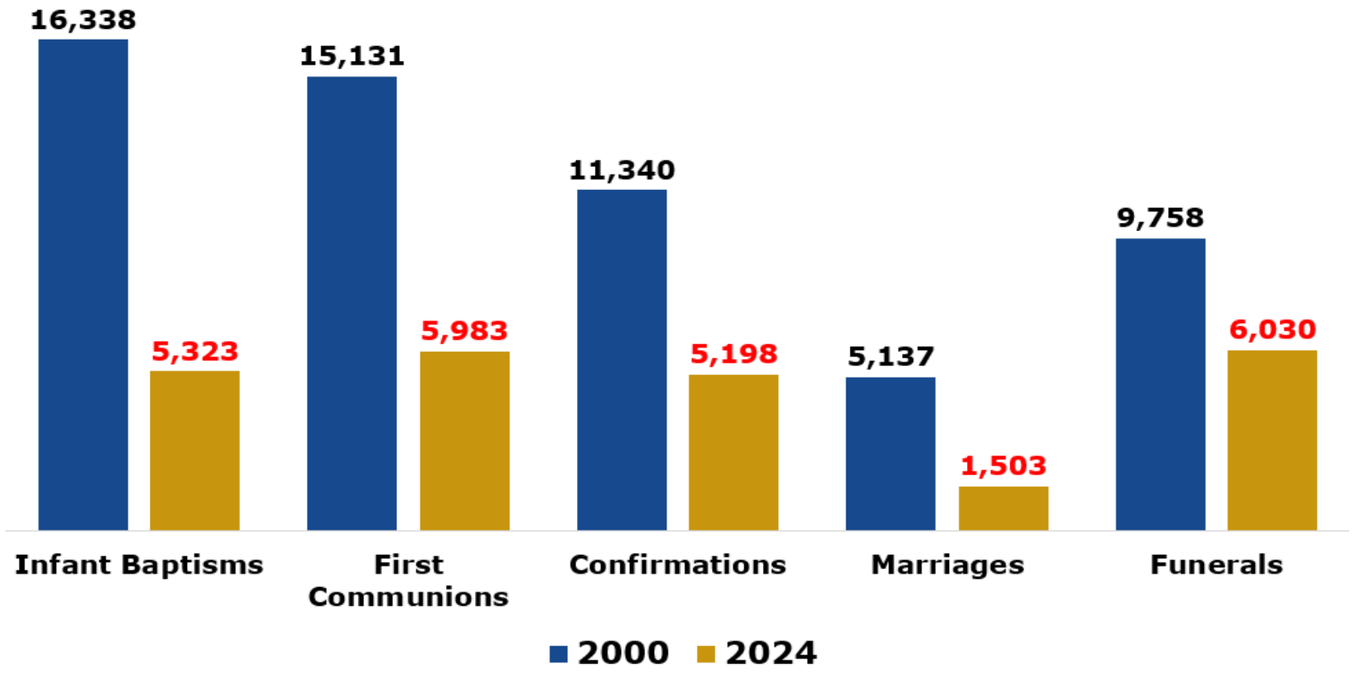
- **Mass attendance has declined by nearly 92,000 people since 2011, dropping from 231,076 to 139,088 by 2024 – a 40% decrease in just 13 years.**
- The decline is persistent across every period, not a one-time drop:
  - 2011 -> 2015: down 31,718 (-13.7%)
  - 2015 -> 2019: down 36,278 (-18.2%)
  - 2019 -> 2024: down 23,993 (-14.7%)
- On average, Mass attendance has fallen by about 4% per year, meaning roughly 1 in every 25 regular attendees is lost annually if the trend continues.
- At the current rate of decline, one-third of today's Mass-attending Catholics will no longer be attending within the next decade.
- In 2024, only 29% of pews were occupied across the Archdiocese of Detroit.

# Our Church is Growing Older, Not Younger



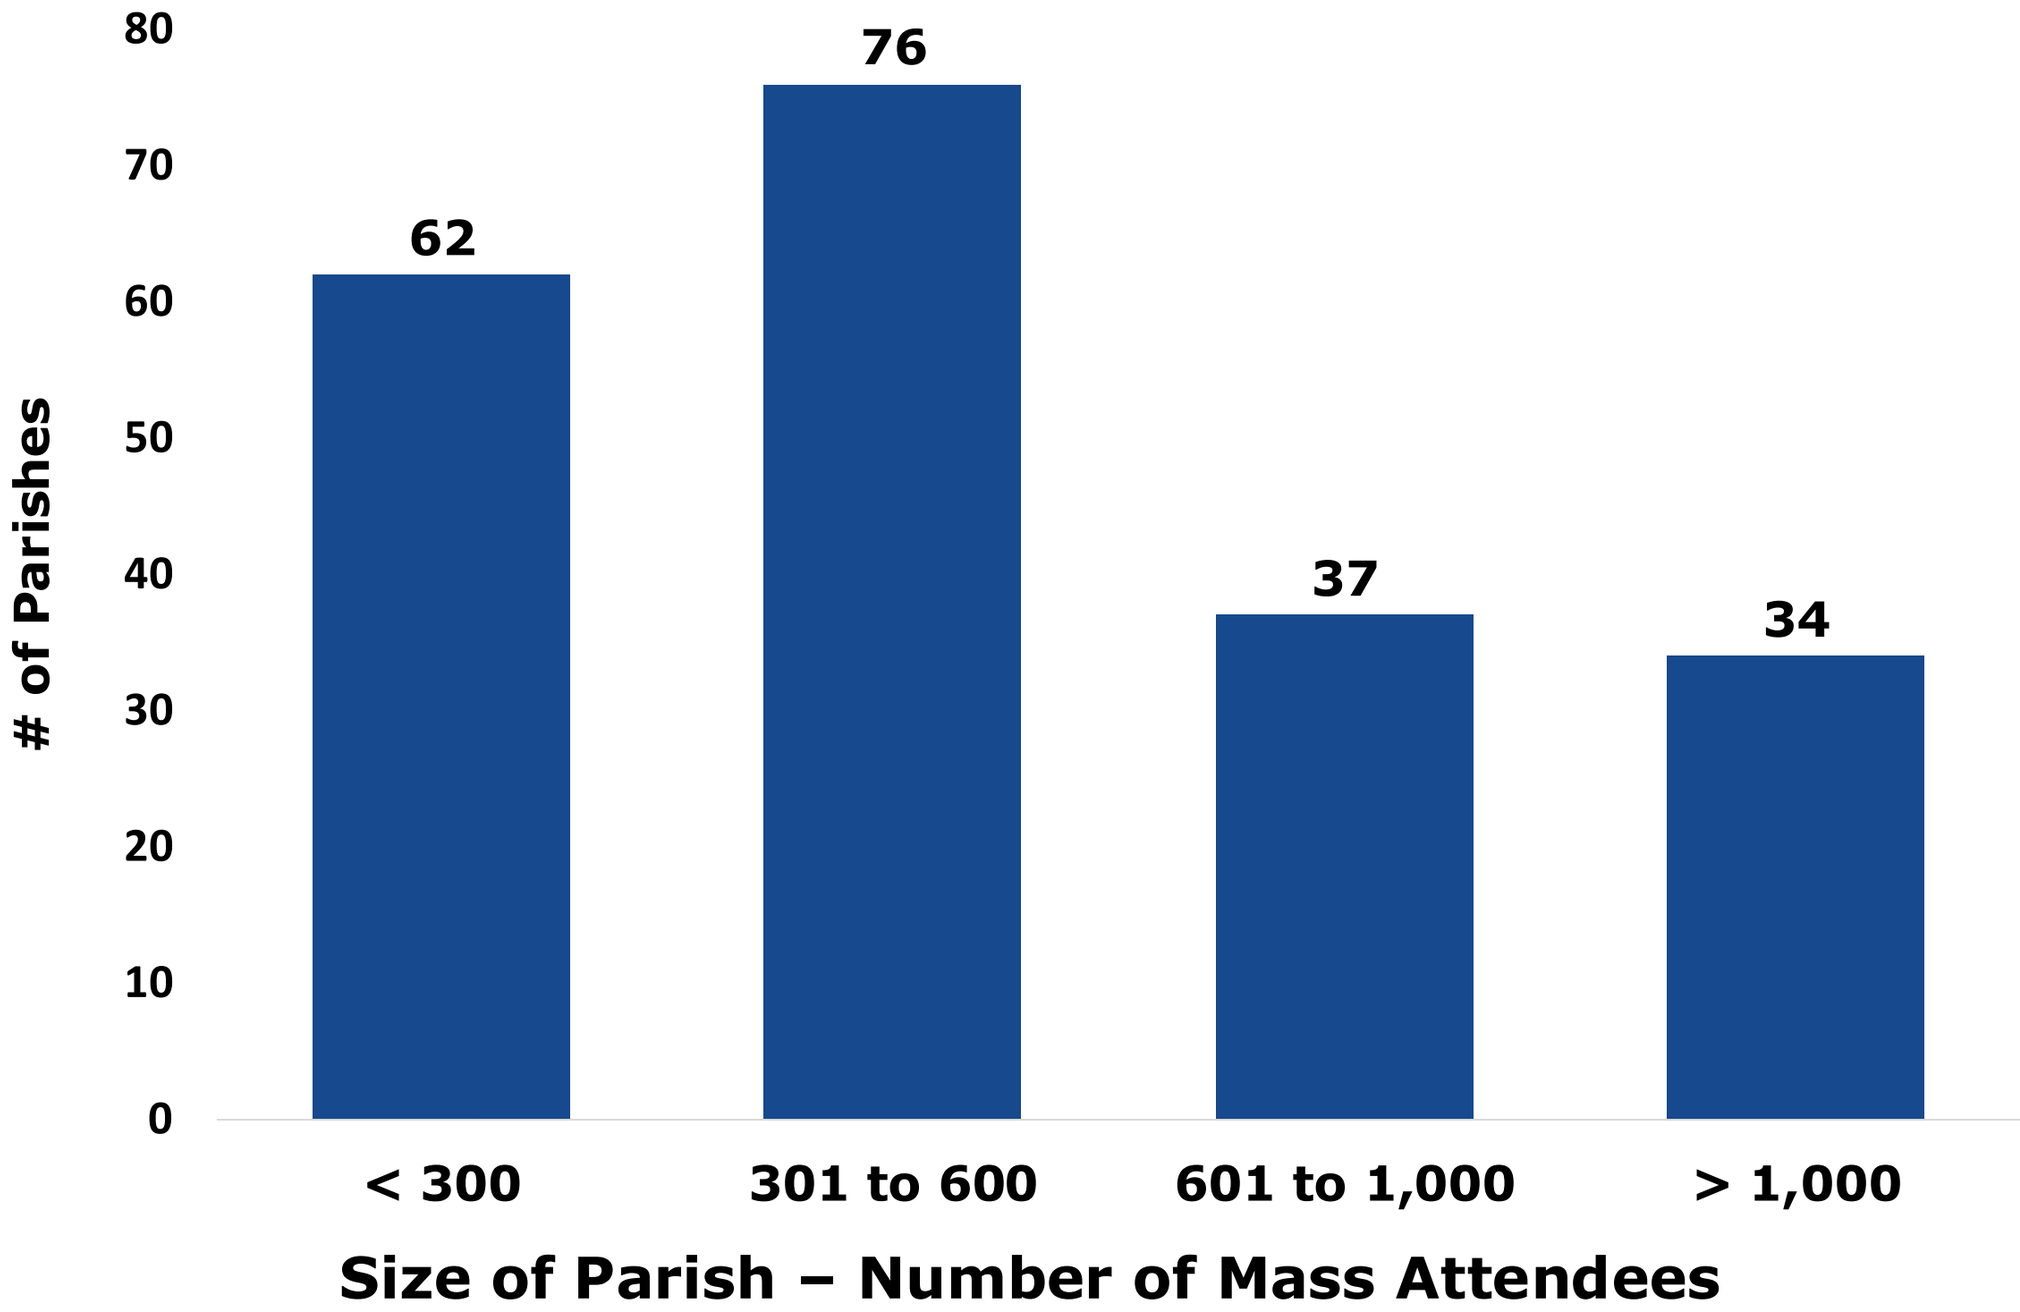
- Infant baptisms have declined the most dramatically—by roughly 60-70% from peak to present, showing a sharp and sustained drop after an early high point and signaling a major contraction in new families entering the Church sacramentally.
- Marriages have fallen by approximately 40-50% over the period shown, with a brief early increase followed by a steady, long-term decline, ending at their lowest level in the most recent year.
- Funerals have remained comparatively stable, fluctuating within roughly a 10-20% range, before tapering downward—indicating that overall sacramental life is increasingly weighted toward later stages of life rather than beginnings.

# Funerals Now Exceed All Other Sacraments

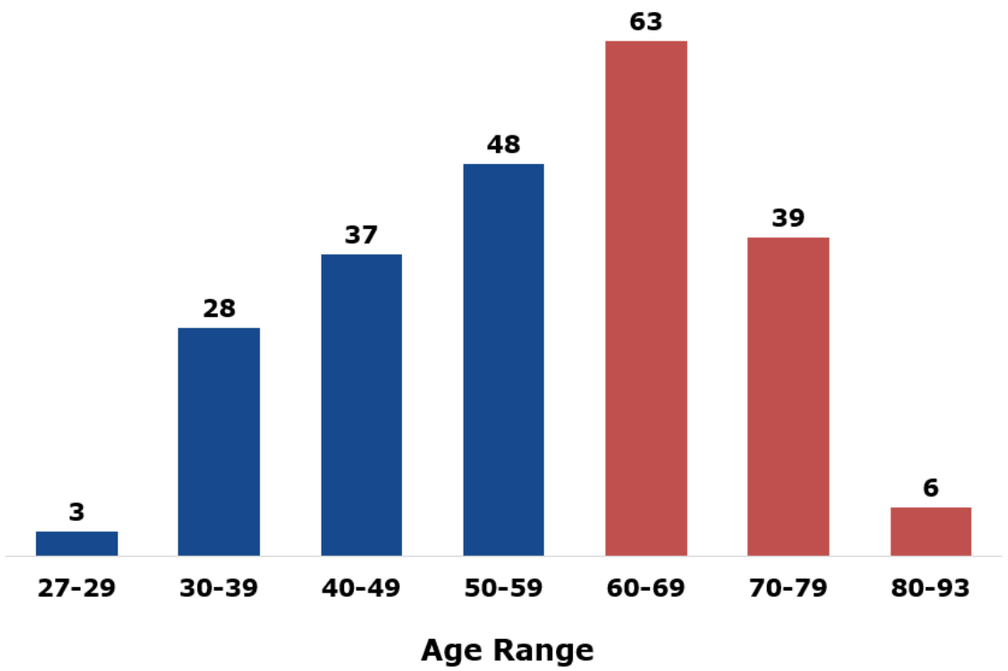


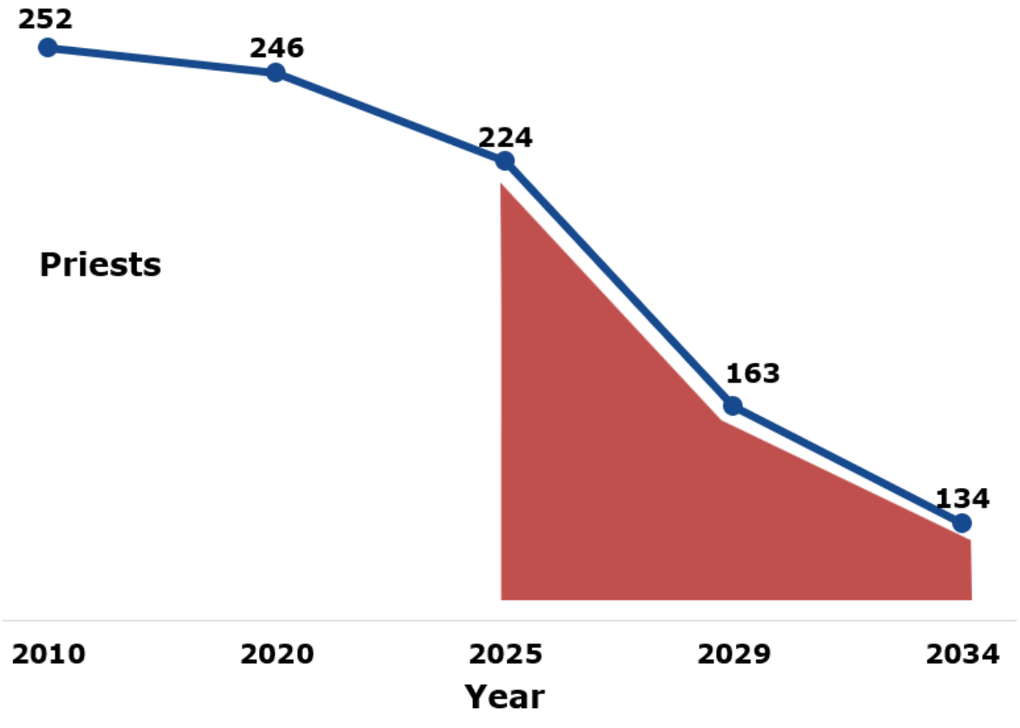
- Funerals now exceed every other sacrament at roughly 6,000 annually, surpassing baptisms, marriages, and confirmations individually.
- Baptisms and marriages remain at or below 5,000 per year, reinforcing earlier trends showing fewer people entering and forming within the Church.
- Sacramental life is increasingly concentrated at end-of-life, reflecting an aging Catholic population and a shrinking pipeline of new participants.

# Today, 138 Parishes of 209 Have Under 600 Regular Mass Attendees



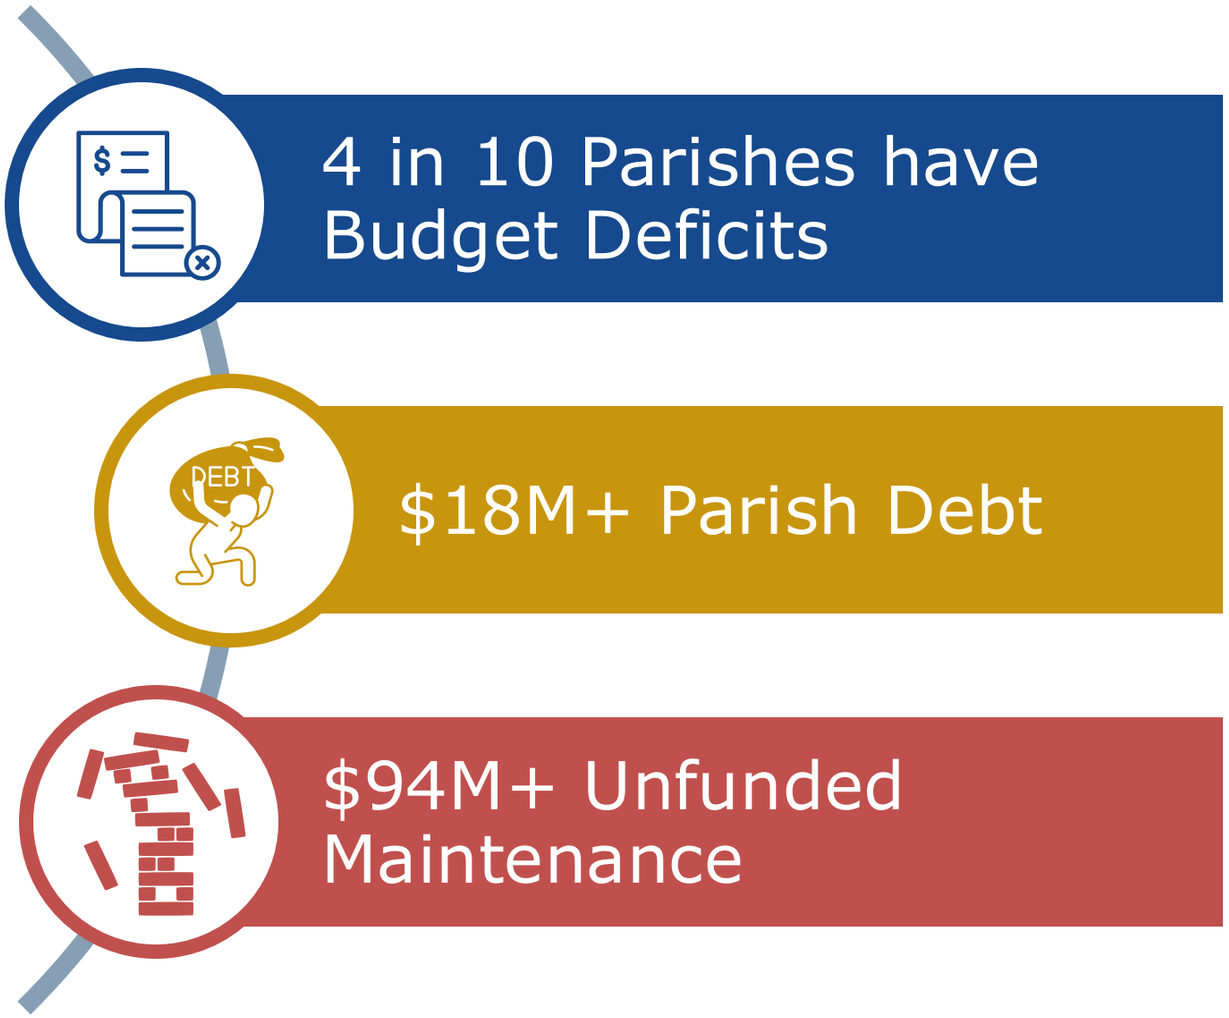
# Projected Priest Supply Will Not Meet Demand





- Priests may retire from parish ministry at age 70 and must take senior status after age 80, which significantly reduces the future pool of available priests.
- The number of diocesan priests is projected to decline by roughly 25-30% over the next decade, while the diocese must continue to serve 209 parishes.
- As priests reach retirement age (70), projected supply falls below the total number of parishes, eliminating the feasibility of one priest per parish.
- The projected shortfall is equivalent to dozens of parish assignments, before accounting for parishes that require 2-3 priests.

# Heavy Financial Burdens Limit Parish Freedom for Ministry and Evangelization



- With 4 in 10 parishes operating at a deficit, a growing share of parish leadership time and resources is focused on covering shortfalls rather than advancing pastoral mission.
- More than $18 million in parish debt and $94 million in unfunded maintenance are tying parish finances to buildings and past decisions instead of present evangelization and ministry.
- Financial strain increasingly directs parish energy toward sustaining facilities, limiting the capacity to invest in people, formation, and outreach central to the Church's mission.

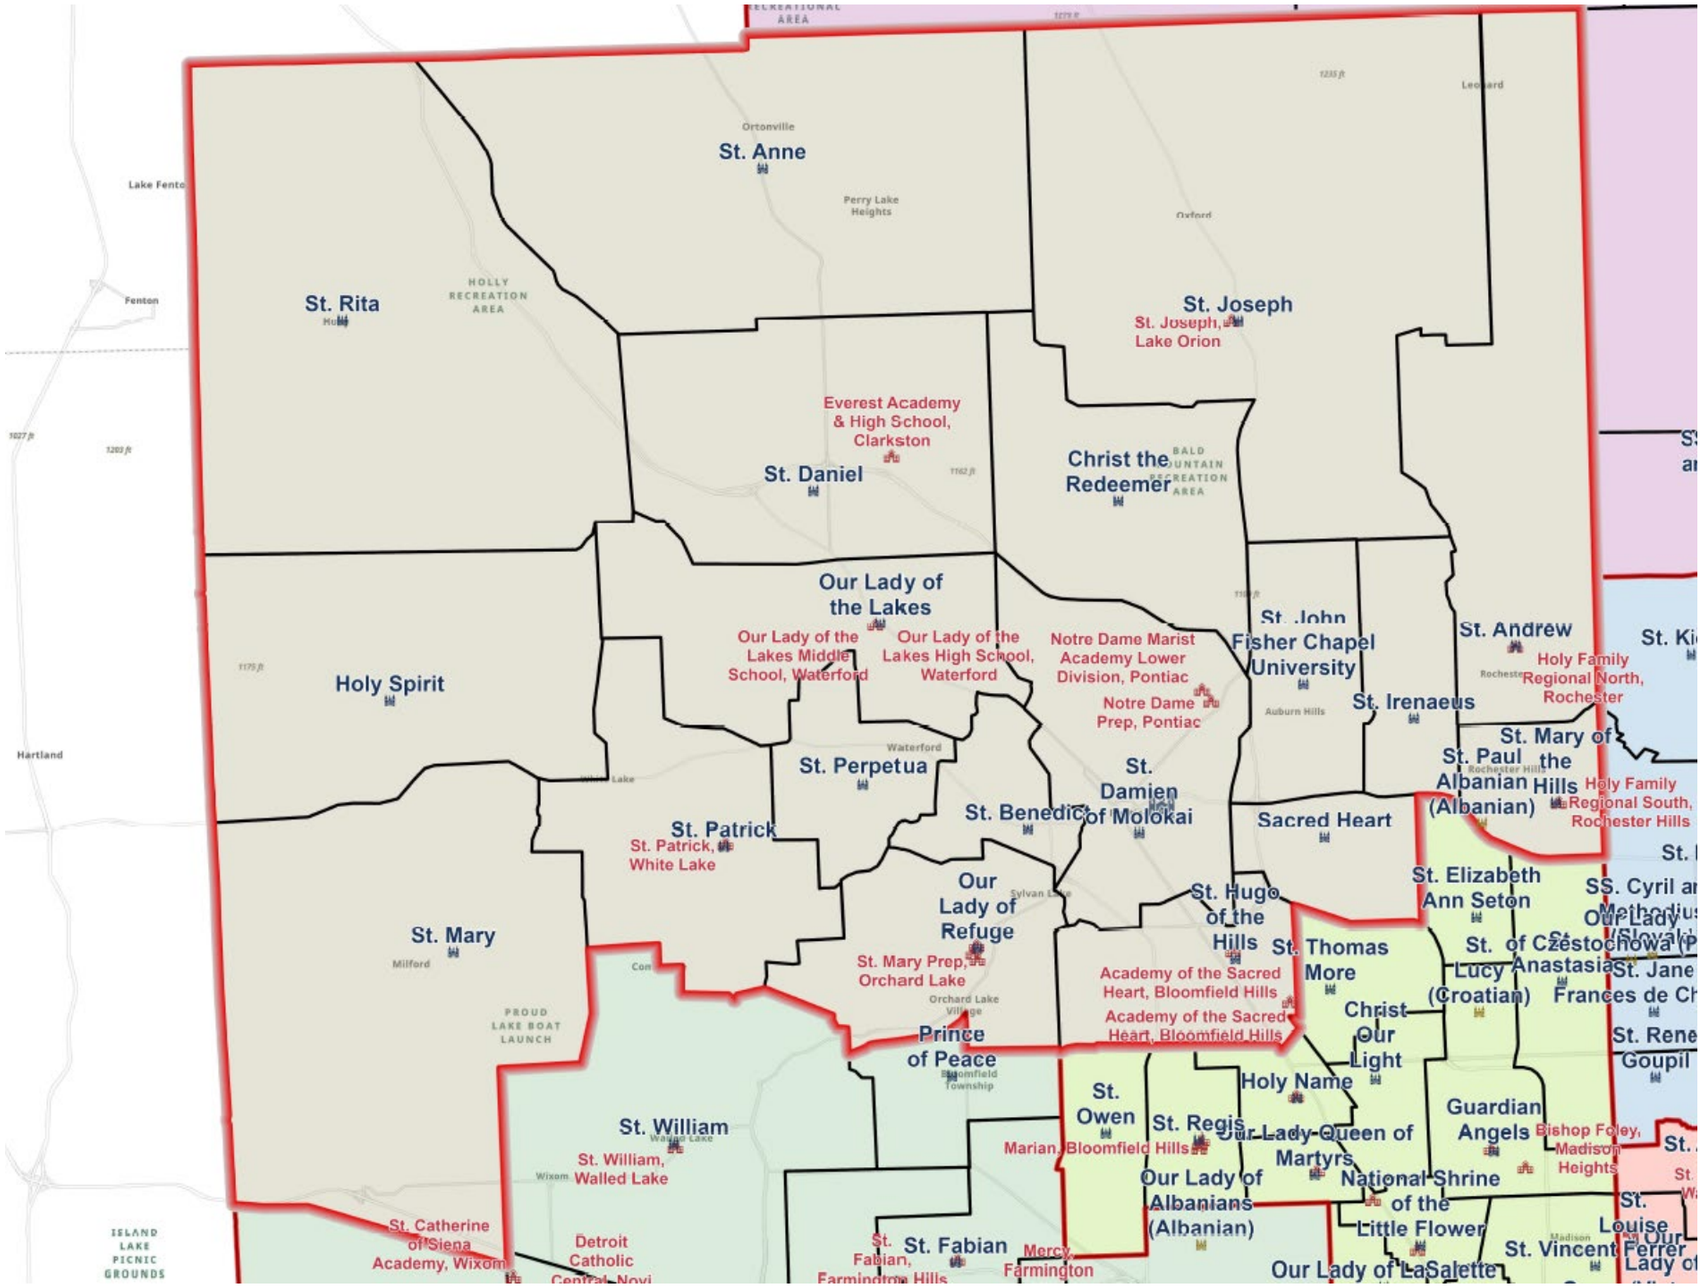
## Planning Area 10

# Planning Area 10



# About Our Planning Area

- The planning area is located in northern Oakland County. Its boundaries run north–south from Davison Lake Road to Lone Pine Road and east–west from Tipsico Lake Road to Dequindre Road in the northern section and to Squirrel Road in the southern section.

- This planning area falls within the Northwest Region of the Archdiocese of Detroit.

- The area includes 19 territorial parishes with a total of 20 worship sites and 6 schools. It is currently served by 21 Archdiocesan priests and 4 Religious/Extern priests.

Parishes and church buildings are clustered more closely in the suburban sections to the south, generally within 5 miles of each other. To the north, the area becomes more rural, with greater distances between locations.

# Demographic Trends

- Total population has increased by 5% since the 2010 census.
- Registered Catholic households have decreased 7% since 2010.
- 5.9% of total households in the area are registered Catholic, which is slightly higher than the archdiocesan average of 5%.
- Median age is 42.0 years (up 2 years since 2010).
- Median household income om the area is $100,804, higher than the archdiocesan average of $72,109.
- The area’s racial makeup has become more diverse, with the diversity index rising from 37 to 52 (+15 points) since 2010.

# Parish History

In 1958, the Archdiocese of Detroit purchased 12 acres at Holcomb and Miller Roads for a new parish, land once used by Henry Ford as an experimental farm in the 1940s. The property featured Oakland County's largest barn, whose foundation stones remain behind the church. The first Mass for St. Daniel Roman Catholic Church was celebrated on June 25, 1961, in the Clarkston Junior High gym by Fr. Frederick J. Delaney, pastor of Our Lady of the Lakes. Seventy families attended, and St. Daniel remained a mission of Our Lady of the Lakes for eight years.

Groundbreaking for a permanent church took place May 24, 1964, and the building was dedicated January 30, 1965. In 1969, Fr. Francis Weingartz became the first full-time pastor, establishing a Parish Council, Religious Education program, and library. A 40-foot wooden cross was erected in 1974. Fr. Charles Cushing succeeded him in 1977. By 1979, membership exceeded 600 families, prompting expansion. The new church was dedicated December 19, 1981, by Archbishop Edmund Szoka. The Cushing Center, honoring Fr. Cushing, was dedicated in 1990. Pastors included Fr. Frank Zielinski (1990–91), Msgr. Bob Humitz (1990–2004), who launched the Parish Endowment Fund, Fr. Christopher Maus (2004–2014), and Fr. Ron Babich (2014–2020).

In 2020, St. Daniel joined the Family of Parishes model under Fr. Scott Thibodeau as Moderator, with Fr. John Bettin serving as Priest in Solidum until 2023. During his tenure, families grew from 1,450 to over 1,800, and enhancements included a new crucifix, statues, Stations of the Cross, sound and security systems. Fr. Craig Marion became Priest in Solidum in 2023. In 2025, a new tabernacle from Spain was installed, reminding parishioners that the Eucharist is the source and summit of our faith. Today, St. Daniel continues to thrive as a vibrant Catholic community rooted in worship and service.

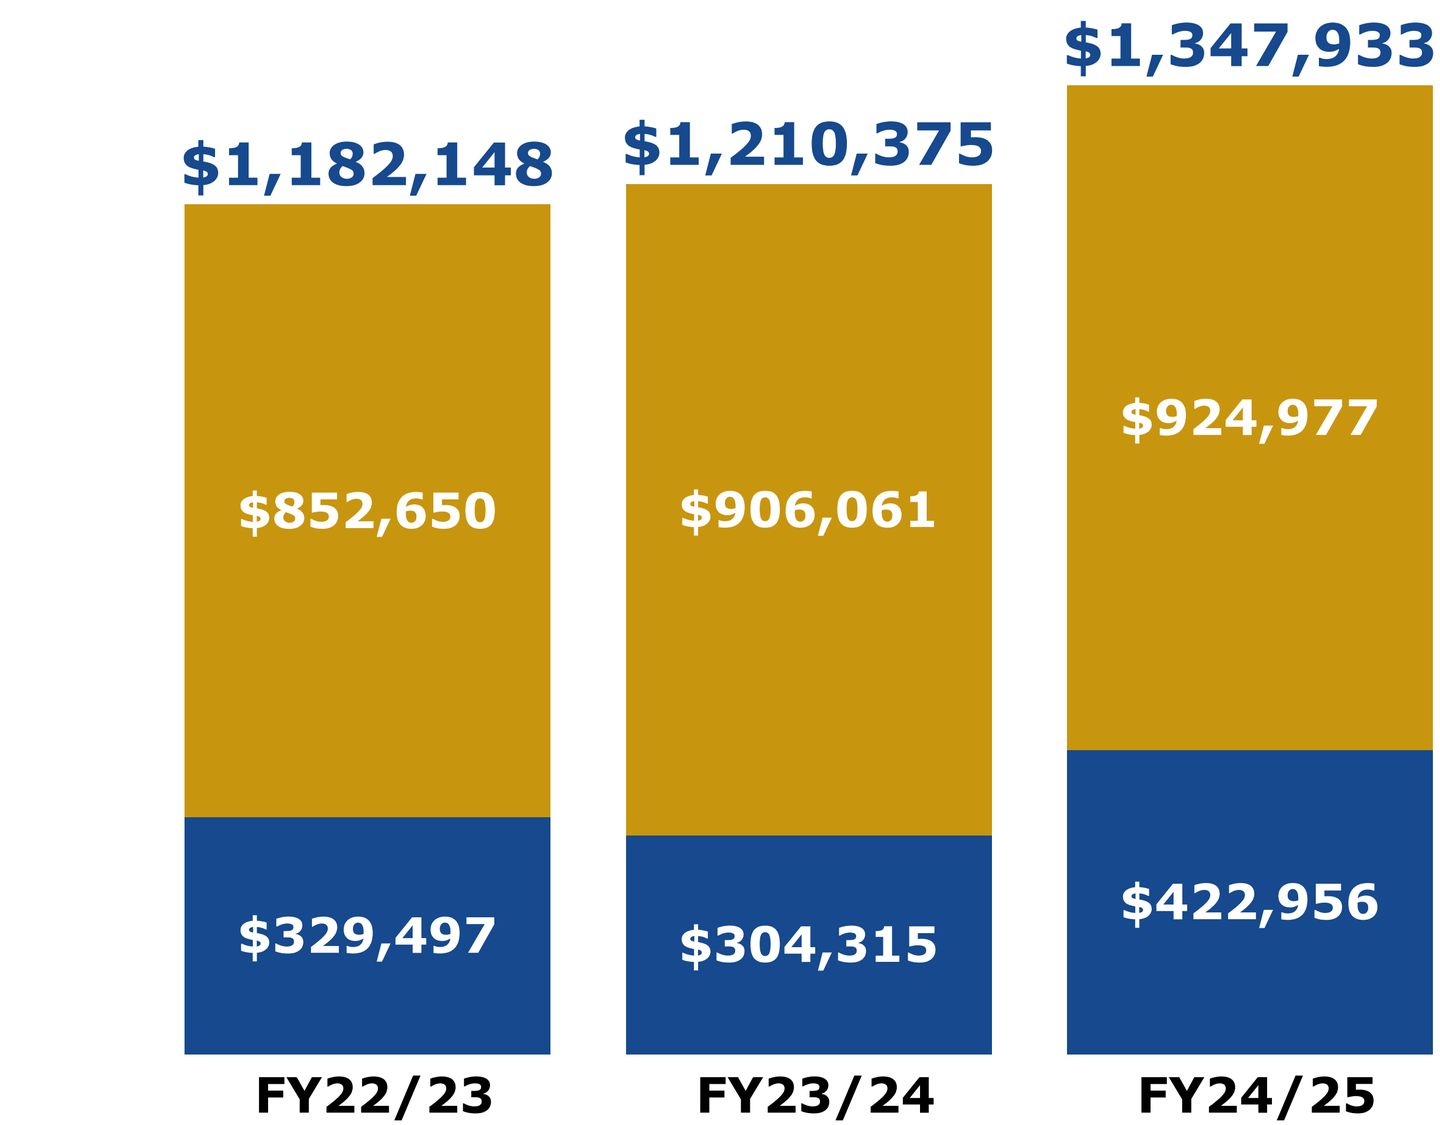
# Savings & Investments Keys for Sustainability

## Cash and Savings (Unrestricted)



An increase of cash and savings usually means the parish is doing well financially. It also means they are better prepared to handle surprise costs or tough times.

If cash and savings goes down, it may mean a parish is spending more, or collecting less. Having less cash can make it harder to deal with unexpected expenses. Sometimes, this drop is planned—like using savings for big projects or repairs.

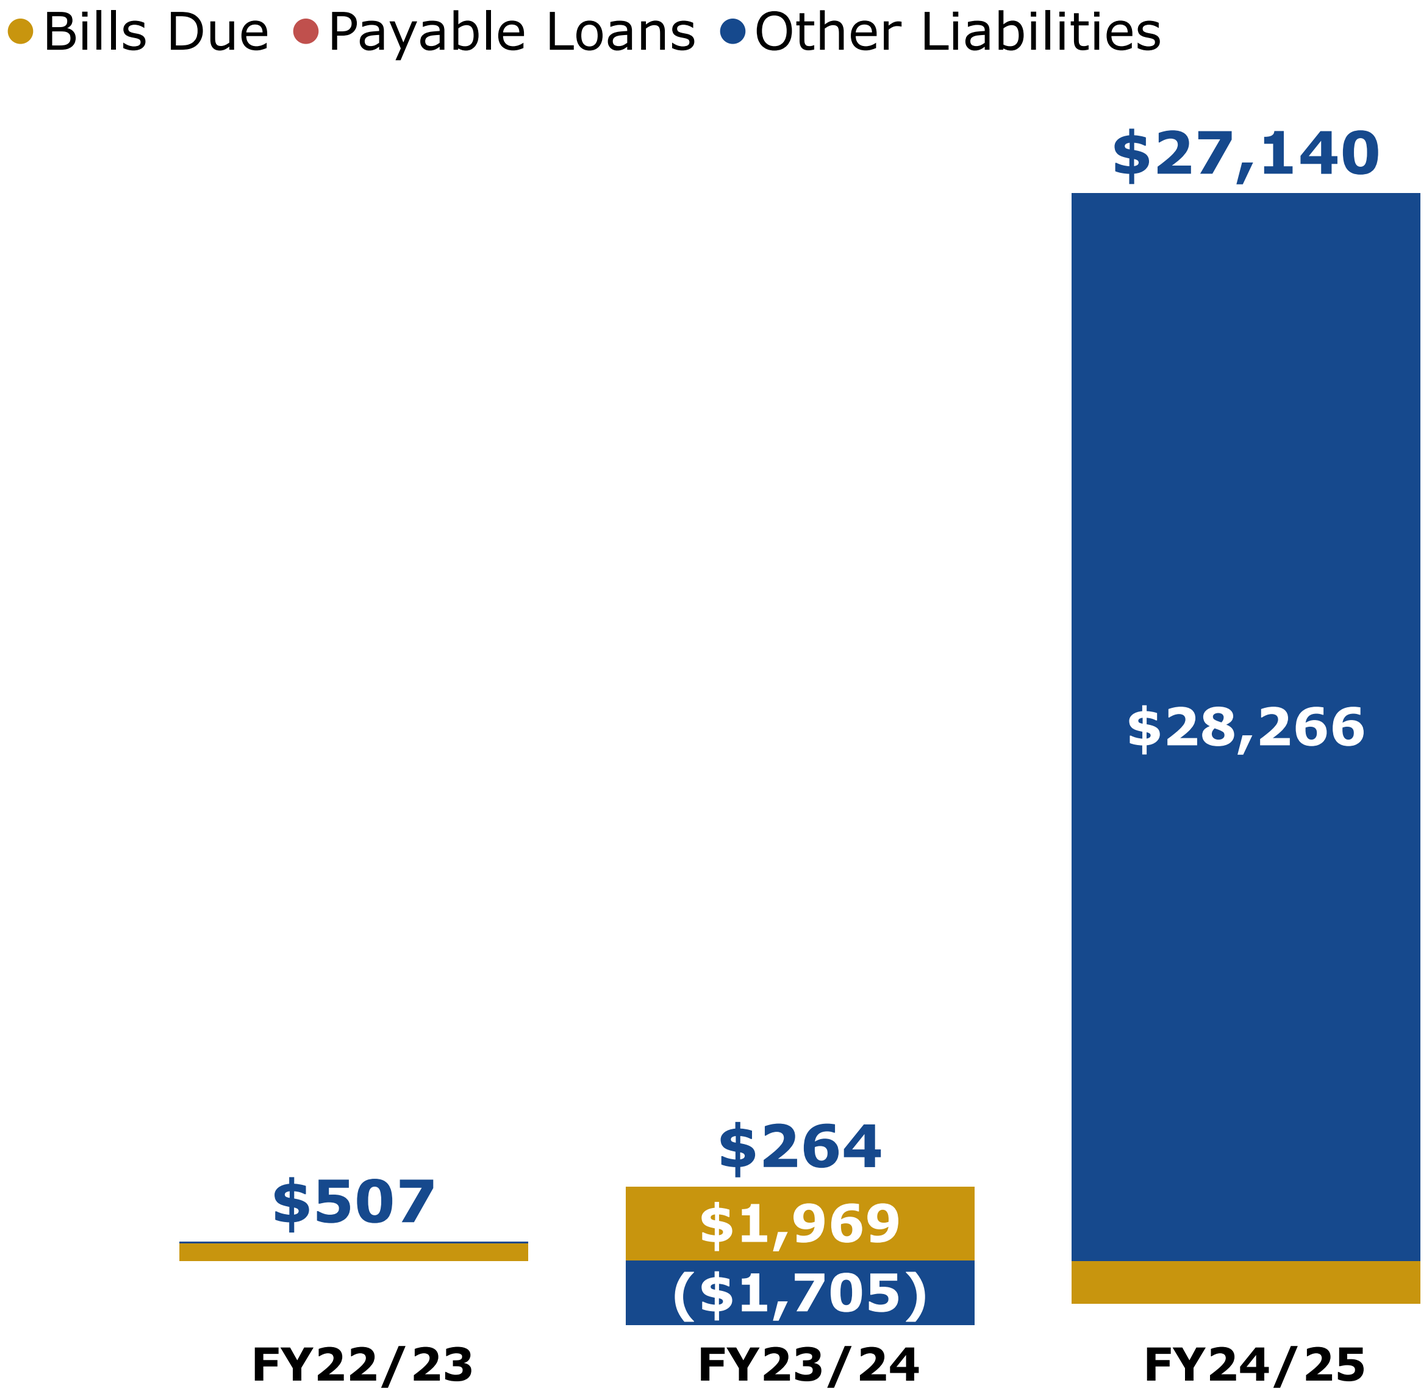
# Debts and Liabilities



Debt going up, may mean a parish is having trouble with money or not bringing in enough cash. More debt also means more risk, especially if income isn't growing.

If debt is going down, that's usually a good sign. It means the parish is paying off what it owes and becoming more financially stable. It could also mean they're spending wisely and managing money better.
